

## **GVTC Communications Announces New Board Members and Capital Credits Increase in First-Ever Hybrid Annual Meeting**

San Antonio, TX | June 22, 2022 — This year, GVTC Communications made history by holding the company's first-ever Hybrid Annual Meeting. The 67th annual meeting of the cooperative was held in person at the New Braunfels Civic Center while also being live-streamed virtually.

GVTC continued its tradition of welcoming newly elected and returning members to its Board of Directors and announcing an increase in Capital Credits for GVTC members. This month, GVTC distributed its largest Capital Credits in the history of the company totaling \$7.75 million, an increase from 2021's issuance of \$7.5 million.

### **Please Welcome**

Since the cooperative's creation, the Board of Directors has helped secure long-term viability for GVTC in an ever-changing industry. The GVTC Board consists of 15 directors who are GVTC members, and each serves on behalf of the designated GVTC district they reside in. We rely on their leadership and specialized skills to set GVTC apart and ahead of other providers.

Four of the five elected members to our 2022 GVTC Board of Directors included incumbents. Positions are three-year terms and are as follows:
